III. Cases*

Mr. Dave Jackson made an opening statement about the following three cases. He reviewed the individuals that were asked to be brought before the Electrical Board. He stated that none of the individuals were present at today’s meeting. He stated that of the five people requested to appear, one’s case was filed, one was not registered with the City of Omaha as was previously indicated by Mr. Jason Amato, and the other three were requested to appear for a second time.

Mr. Lathrum asked if the three are registered with the City of Omaha. Mr. Jackson confirmed. Mr. Lathrum asked about the certified mail process. He suggested that the three individuals’ licenses be suspended until a time when they re-apply.
There is discussion about what steps the Electrical Board can take as far as suspending and revoking.

Mr. Lathrum suggested that the City suspend their licenses until a time when they re-apply. Mr. Jackson suggested that the Board give Mr. Don Gerjevic, Chief Electrical Inspector, authority to reinstate their license for thirty days once they re-apply so that they are able to appear before the Board.

Motion by Mr. Butch Simpson to suspend the three individuals’ licenses and let the Chief Electrical Inspector handle their active status. Second by Mr. Miller.

There is discussion about the length of the suspension.

Motion by Mr. Simpson to suspend the three individuals’ licenses until December 31, 2018. Second by Mr. Lathrum.

AYES: Lathrum, McClintock, Miller, Simpson

Motion carried: 4-0, Licenses of Mr. Steve Scholl, Mr. Brendan White, and Mr. Jonathan Powell are suspended until December 31, 2018

Mr. Jackson asked if there is discretion to reinstate the licenses prior to that date. The Board consensus is that they can appeal or appear before the Board.
