APPROVAL OF MINUTES: September 14, 2009

CASES:

Case No. 09-37
(Over from 9/14/09)
Cory Miller - DuctMedic
122 N McKenna Avenue Suite A
Gretna, NE  68028

LOCATION: Omaha and surrounding jurisdiction
REQUEST: Waiver to allow the use of aerosol spray foam to seal the joints in ductwork.

DISPOSITION: Approval to allow the use of the aeroseal product as an alternative method to Section M1601.3.1 of the 2006 IRC and Section 403.2.2 of the 2006 IECC for duct sealing in residential applications. This aeroseal product shall be limited to applications covered within the scoping of the IRC only, and shall not be allowed in any application that contains duct detectors, fire dampers, smoke dampers or other life safety devices within the ductwork. Shall not be allowed as a substitute for an alternative method in the commercial section of the IECC or the IMC. Testing is required and documentation must be provided that the product has been installed as per manufacturer’s recommendations. Revocable with cause.

Case No. 09-38
Dan Pearce - Pearce Construction
2126 S 156 Circle
Omaha, NE  68130

LOCATION: 10000 California Street – The Cookie Company
REQUEST: Waiver of Section 507.2.2.3 IMC 2006 to require a Type II hood over a baking oven by applying Exception 3 of that section.

DISPOSITION: Approval to not require a Type II hood using Exception 3 of IMC 507.2.2.3 based on the current use of the facility as long as the appliance is used as described for the purpose of baking cookies only. The oven cannot be used for other cooking applications.

Case No. 09-39
Sean D. Cuddigan
Brodkey, Cuddigan, Peebles & Belmont
10855 West Dodge Road
Omaha, NE  68154

LOCATION: 2729 N 123 Circle
REQUEST: Appeal International Property Maintenance Code Notice of Violation dated August 28, 2009

DISPOSITION: Approval to grant a 90-day extension to allow applicant additional time.
