THIS MIXED USE DISTRICT DEVELOPMENT AGREEMENT (hereinafter "Agreement") made pursuant to Section 55-561 thru 55-565 of the Zoning Ordinances of the City of Omaha, made and entered into this ______day of ______ 2019, by and between THE CITY OF OMAHA, NEBRASKA, a Municipal Corporation, (hereinafter "City") and FOUNTAIN WEST OFFICE PARK, LLC. A Nebraska Limited Liability Company (hereinafter "Developer").

WITNESSEd:

WHEREAS, the Developer is the legal owner of the real estate described on the attached Plat Map (Exhibit "A"), which is incorporated herein by this reference and desires to establish and develop such property according to the provisions of Section 55-561 thru 55-565 of the Omaha Municipal Code for the development of a mixed use project;

WHEREAS, in accordance with the requirements of the Municipal Code, the Developer has presented a Development Plan (Exhibit “B”) to the City indicating the manner in which the developer intends to meet the requirements of this Agreement; and

WHEREAS, the City, in the interest of maintaining the public health, safety and welfare, desires to assure that such project is developed substantially in accordance with the Development Plan (Exhibit “B”) and therefore considers this Agreement to be in the best interests of the City; and

WHEREAS, the Developer is willing to commit itself to the development of a project substantially in accordance with the Development Plan (Exhibit “B”) and desires to have a reasonable amount of flexibility to carry out the development and therefore considers this Agreement to be in its best interests; and

WHEREAS, the City and the Developer desire to set forth in this Agreement their respective understandings and agreements with regard to FOUNTAIN RIDGE EAST

NOW, THEREFORE, in consideration of the mutual covenants contained herein and Agreements herein contained, the parties agree as follows:

1. Definitions

A. For the purposes of this Agreement the definitions in the Omaha Municipal Code, Chapter 55, Article II, shall apply. In addition, the following words and phrases shall have the following meanings:

B. Development Plan shall mean the site design and development features described in Exhibit “B” attached to this Agreement.
C. Public Improvements shall mean all physical features proposed to be located in the public right-of-way or any publicly dedicated easement, including, but not limited to, streets, sidewalks, plazas, pathways, parks, public art, lighting and streetscaping.

D. Private Improvements shall mean all physical features proposed to be located in either the public right-of-way pursuant to an approved lease agreement by the appropriate parties or within a private easement or upon private property as set forth in any Exhibit identified herein under Section A of the General Conditions, including, but not limited to, private drives, sidewalks, plazas, pathways, parks, public art, lighting and streetscaping if such streetscaping is not located within any publicly dedicated right-of-way or easement.

E. The cost of a site improvement shall be deemed to include all construction costs, engineering fees, attorneys’ fees, testing expenses, publication costs, financing costs, and miscellaneous costs.

F. Site improvement shall mean any building, parking, landscaping, signage, fencing, or other regulated structures.

G. “Office” shall mean a building designed and constructed to provide for office occupancy only. Such buildings may be characterized by a single primary entrance, a central lobby serving as access to tenant suites and when appropriate multiple stories or include other design characteristics that differentiates it from typical in-line retail or other non-office use buildings. The office use may also be satisfied with mixed use, multi-storied buildings per section 55-564(c)1.

2. General Conditions

A. This Agreement shall include the terms and conditions herein in addition to the following Exhibits pursuant to Section 55-565 of the Omaha Municipal Code:

1. Exhibit A – Plat Map
2. Exhibit B – Development Plan
3. Exhibit B1-Lot 1 – B4-Lot 4 – Detailed and Individual Site Plans
4. Exhibit C – Sign Plan/Budget Calculation Table
5. Exhibit C1 – Typical Sign Detail
6. Exhibit D – Plaza Plan
7. Exhibit D1 – Building Elevation Examples

B. Except as otherwise permitted in this Agreement, the project shall be developed in accordance with the:

1. City of Omaha Master Plan
2. Chapter 55 Zoning of the Omaha Municipal Code
3. Chapter 53 Subdivision of the Omaha Municipal Code
C. In the event that there is a conflict among provisions of this agreement and applicable provisions of the Omaha Municipal Code, the terms of this Agreement shall apply unless otherwise permitted by this Agreement under Section 4 - Special Conditions Section.

D. The Mayor of the City of Omaha shall have the authority to administer this Agreement on behalf of the City and to exercise discretion with respect to those matters contained herein so long as the development proceeds in general accord with the Development Plan and with regard to those matters not fully determined at the date of this Agreement.

E. The provisions of this Agreement shall run with the land in favor of and for the benefit of the City and shall be binding upon present and all successor owners of the real estate described herein.

F. Nondiscrimination. G. Applicable Law. Parties to this contract shall conform to all existing and applicable City ordinances, resolutions, state and federal laws, and all existing and applicable rules and regulations. Nebraska law will govern the terms and the performance under this contract.

H. Interest to the City. Pursuant to Sec. 8.05 of the Home Rule Charter, no elected official or any officer or employee of the City of Omaha shall have a financial interest, direct or indirect, in any City of Omaha contract. Any violation of this section with the knowledge of the person or corporation contracting with the City of Omaha shall render the contract voidable by the Mayor or Council.

I. Disclosure. The Developer shall provide a copy of this Agreement to any future tenants and all successor owners of real estate in this development. Also, this Agreement should be included as part of the disclosure of restrictions in any sales or lease Agreement. This will avoid confusion and loss of time for the tenant during the permit review process.

3. Site Development Regulations

A. Development Plan: It is intended that the Development Plan is a general schematic of the development indicating the manner in which the developer intends to meet the requirements of this Agreement. All parties recognize that from time to time for good and sufficient reasons it may be necessary for the Developer to alter the size, location, use or type of the buildings or other site improvements.

B. Amendments: Either the Developer or any successor owner or assigns of any legal lot within the Plat Map, may apply for an amendment to this Agreement pursuant to section 55-564.d. Amendments shall be modified or supplemented in
writing by the City and the Developer or its successor or assigns of any lot within the Plat Map as follows:

(a) **Minor Amendments.** The Planning Director may approve minor amendments to this Agreement if he or she determines that the amendment, modification or supplement does not substantially modify or alter the Development Plan and is in compliance with applicable standards for MU zoning.

(b) **Major Amendments.** Any amendment that is determined to be a substantial and/or material change, modification or alteration to the Development Plan, as determined by the Planning Director in his or her reasonable discretion, shall follow the procedure pursuant to section 55-564.d.4.

C. **Subdivision Standards:** The Developer may reduce or increase the number of lots as shown on the Plat Map, by revising lot lines, combining, or dividing lots, as allowed by this section.

1. The Developer may request, and the City may, by Administrative Subdivision, grant any such revisions, combinations or divisions as necessary to carry out the Development Plan.

2. An application for an Administrative Subdivision to make such changes shall include as an attachment a revision to the Development Plan (**Exhibit “B”**) and Sign Plan/Budget Calculation Table (**Exhibit “C”**) as a minor amendment to the Agreement.

3. When a subdivision cannot be done administratively all changes shall be shown on revised attachments to the Development Plan (**Exhibit “B”**) and Sign Plan/Budget Calculation Table (**Exhibit “C”**) as a major amendment to the Agreement.

D. **Street Types:** All public and private streets and rights-of-ways within the interior of the development shall be classified as one of the following pursuant to Section 55-32 of the Omaha Municipal Code:
