AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem

Motion passed 6-0.
4/27/2011:
Ed Huffman appeared before the Board to request renewal of his previous approval of Provider, Instructor and CEU Class. Mr. Miller reviewed Mr. Huffman’s file. The Board Secretary confirmed that Mr. Huffman has received Board approval in the past.

Motion to approve Ed Huffman as a Provider by Mr. Reed. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

Motion to approve Ed Huffman as an Instructor for water treatment by Mr. Reed. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

The Board reviewed the class materials submitted by Mr. Huffman. The proposed 2 hour class is for journeyman plumbers, master plumbers and water conditioning contractors. The class date has not been determined yet, but will be held at Eyman Plumbing. This class is open to all Omaha journeyman plumbers, master plumbers and water conditioning contractors.

Motion by Mr. Reed to approve 2 hour continuing education class as submitted for journeyman plumbers, master plumbers and water conditioning contractors. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

REQUEST: Request for reactivation of retired master plumber’s license.

49-225

Dennis Murray appeared before the Board to request reinstatement of his retired master plumber’s license. Mr. Miller reviewed Mr. Murray’s records and stated that all appeared to be in order with Mr. Murray’s application.

Motion to approve reactivation of Mr. Murray’s retired master plumber’s license by Mr. Estabrook. Second by Mr. Salem.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.
11-4-36
Jeff Pravecek
EZ Rain Sprinkler Systems Inc
2415 n 150th Avenue
Omaha NE 68116

REQUEST: Request for renewal of expired lawn sprinkler contractor’s license.

49-213

Jeff Pravecek appeared before the Board to request renewal of an expired lawn sprinkler contractor’s license. Mr. Miller reviewed Mr. Pravecek’s records and noted that everything appeared to be in order with Mr. Pravecek’s application, including his completion of continuing education hours. Mr. Reed asked Mr. Pravecek why he allowed his license to expire. Mr. Pravecek stated that there had been an oversight in paying his fee before the deadline. As per section 49-213 of the Omaha Plumbing Code, Mr. Pravecek will be required to pay a quad fee for renewal of this license.

Motion to approve renewal of license by Mr. Reed, subject to the fee for late renewal as outlined in section 49-213 of the Omaha Plumbing Code. Second by Mr. Salem.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

49-215

Approval of Instructor
Approval of CEU Class

Mike Sobota with Central Community College appeared before the Board to request renewal of his organization’s previous approval of Provider, Instructor and CEU Classes. The Board Secretary confirmed that Central Community College has received Board approval in the past.

Motion to approve Central Community College as a Provider by Mr. Reed. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

Next, the Board reviewed information submitted by Central Community College in regards to Gregg Hinrichson, their chosen instructor. The Board Secretary confirmed that Mr. Hinrichson was approved last year by the Board to teach courses in backflow prevention and water treatment.

Motion to approve Gregg Hinrichson as an Instructor for backflow prevention and water treatment. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.
Finally, the Board reviewed the submitted class materials. Central Community College plans to hold two classes. After viewing the submitted materials for each class, the Board declined to consider one of the classes (for Grade I-IV water operators). The Board turned its attention to the second class, which will deal with backflow recertification for current Grade VI Water Operator license holders. This class is scheduled to take place on December 6th and December 7th, 2011 at Gretna City Hall.

**Motion** to approve submitted four hour continuing education class for Grade VI water operator license holders for journeyman plumbers and master plumbers only by Mr. Reed. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.

11-4-38
Yinghua Zhu
16409 Sherwood Av
Omaha NE 68116

REQUEST: Variance of section 49-631, unisex toilet rooms.

Location: 6207 Maple Street

Yinghua Zhu, owner, and Richard Rybin of Rybin Plumbing, contractor, appeared before the Board. Mr. Wonder explained that the owner has purchased a building in downtown Benson, which she intends to use as an art studio. Repairs to the building were necessary due to termite damage. Part of the repairs involved the replacement of the building’s restroom. The restroom was put back in the same place following repairs; and was tagged on inspection due to the fact that the owner would normally be required to bring this space up to code.

Mr. Wonder stated that the space is to be used as an art studio, and would be open to the public by appointment only. Most of the time, the building will be locked. Mr. Wonder stated that he would recommend that the Board approve the requested variance due to the fact that the building is not open to the public, and that the owner replaced the restroom solely to repair termite damage.

Mr. Killian stated that he would support this variance, noting that this is repair, not remodeling. He asked for the opinion of the rest of the Board. Mr. Estabrook stated his concern that granting a variance could result in a problem later, should the building change occupancy. He also cited the fact that this space has enough square footage to install as restroom as per the requirements of the Omaha Plumbing Code. Mr. Miller stated that should the Board approve this variance, he would like to request that it be tied to this occupant and use only, in order to prevent issues with future tenants.

Motion by Mr. Reed to approve the continued use of the repaired unisex restroom in this space, for this occupant and this business use only. Second by Mr. Killian

AYES: Barrett, Killian, Miller, Reed, Salem, Wellendorf

NAYS: Estabrook

Motion passed 6-1
REQUEST: Variance of various sections of Chapter 49 in reference to tilting sinks for shampoo stations.

Location: 15514 Spaulding Plaza, Suite D7

Lisa and David Shafer appeared before the Board. Mr. Wonder stated that Mr. and Mrs. Shafer are in the process of opening a hair salon. They would like to install shampoo stations that tilt for the comfort of their clients. Mr. Wonder stated that at this time, he is not aware of any brass fitting that has been approved for use with this product; therefore, this product is not allowable in Omaha city limits and would require a waiver from the Board. Mr. Wonder stated that he has contacted the manufacturer to try to get more information on this product so that it might be included in the next plumbing code changes. As of today, he has not heard back from this company.

Mr. and Mrs. Shafer brought a section of piping with them, so that the Board could look at the proposed material. Mr. Miller stated that his daughter is a beautician, and she confirmed that the tilting sink is a popular installation. Mr. Wonder stated that these fixtures are not currently allowed in Omaha limits; any salons that have this type of fixture installed have done so without his knowledge. Mr. Wonder stated that he had no objection to the Board granting the requested variance; however, he asked that it be limited to this location only.

After some further discussion, Mr. Reed made a motion to allow the manufacturers’ recommended flexible connection for the tilting hair sinks at this location only, with the following stipulations: 1) the flexible connection may be no longer than twelve inches; and 2) that the flexible connection must hard-connect to the sink and the p trap. Second by Mr. Killian.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Wellendorf

NAYS: Salem

Motion passed 6-1.

REQUEST: Variance of sections 49-1103, 1130, and 1131, grease interceptor.

Location: 16920 Wright Plaza Space 114

Volkan Soyulmaz and Jay Gould appeared before the Board. Mr. Gould stated that Mr. Soyulmaz is in the process of opening a restaurant in the Shops at Legacy shopping center. The previous tenant was a sandwich shop and was not required to have a grease interceptor.

Mr. Estabrook inquired as to whether there is an alley behind this proposed restaurant. Mr. Gould replied that Mr. Soyulmaz’ restaurant backs onto an egress hallway. Past this hallway is another store. There are other stores to either side of Mr. Soyulmaz’ space. This means that in order to install a grease interceptor, it would have to be placed in the parking stalls in front of the restaurant.

Mr. Estabrook asked if this shopping center has been set up with a waste line. Mr. Gould replied that there is a waste line from Fuddruckers on the far east side of the center – it runs underneath Mr. Soyulmaz’ space and terminates in a 2,000 gallon grease interceptor on the far west side of the shopping center. Mr. Wonder suggested that Mr. Soyulmaz could cable into this line and could then share the grease interceptor with Fuddruckers. Mr. Gould inquired as to the best way to accomplish this. Mr. Wonder stated that the Plumbing Division would work with them on this issue. Mr. Soyulmaz could also hire a mechanical engineer to resolve this issue for him.

Motion to deny request by Mr. Estabrook. Second by Mr. Salem.

AYES: Barrett, Estabrook, Killian, Miller, Reed, Salem, Wellendorf

Motion passed 7-0.
IV. *Reconsideration of Master Plumber Examination Application*

Bryce Gregurich  From 10/22/2008  Gregurich Plumbing
1006 S East Street  1006 S East Street
Valley NE 68064  Valley NE 68064

10/22/2008:
Bryce Gregurich appeared before the Board requesting permission to take the Master Plumber test in November.

Mr. Wonder inquired as to how long Mr. Gregurich has held an Omaha journeyman’s license. Mr. Gregurich replied that he has had a journeyman’s license in Omaha for the past two years. Currently, Mr. Gregurich has licenses in Bellevue, Fremont, LaVista, and Valley. Mr. Wonder stated that Omaha Plumbing Code requires four years as a journeyman.

Mr. Miller stated that he thought Mr. Gregurich needs two more years as an Omaha journeyman before he is eligible to take the Master’s test.

Motion to deny by Mr. Estabrook. Seconded by Mr. Leddy.

AYES: Clifton, Estabrook, Killian, Leddy, Miller

Motion carried 5-0

4/27/2011:
Bryce Gregurich reappeared before the Board requesting permission to take the Master Plumber examination in May. Mr. Miller reviewed Mr. Gregurich’s file, noting that Mr. Gregurich has worked the requested two additional years as an Omaha journeyman plumber. Mr. Miller also noted that all of Mr. Gregurich’s continuing education requirements are current and up-to-date. He recommended that Mr. Gregurich be approved to test.

Motion to approve by Mr. Estabrook. Second by Mr. Reed.
