David Fiscus
2464 130th Street
Marshalltown IA 50158

David Fiscus appeared before the Board to request renewal of an expired water conditioning contractor’s license. When asked, Mr. Fiscus stated that his license was not renewed due to an oversight. Mr. Miller noted from the case file that Mr. Fiscus is missing continuing education hours for 2010. Mr. Fiscus confirmed this shortage, and commented that he was not aware of how to obtain information regarding available classes. He has recently been in contact with the Board Secretary, and now knows how to access the continuing education class list via the Plumbing Board website. Mr. Fiscus asked that the Board renew his license and give him some additional time to complete his missing continuing education hours. This renewal will be subject to a late fee as outlined in section 49-213 of the Omaha Plumbing Code.

Motion to renew license by Mr. Salem. Second by Mr. Reed.

Motion to renew license by Mr. Salem. Second by Mr. Reed.

AYES: Killian, Miller, Reed, Salem, Wellendorf

Motion carried 5-0.
Scott J Shimerdla appeared before the Board to request additional time to complete continuing education hours. Mr. Miller read the following from the September 15, 2010 minutes of the Omaha Plumbing Board (Case 10-9-150):

“…Motion by Mr. Estabrook to allow Mr. Shimerdla until December 31, 2010 to make up a total of twenty-two continuing education hours. This total includes a four hour penalty as outlined in the 2010 Omaha Plumbing Code. Second by Mr. Barrett…”

Mr. Miller noted that as of today, Mr. Shimerdla has made up twelve of the twenty-two required makeup hours for 2009. However, he did not complete any continuing education hours for 2010. When asked, Mr. Shimerdla stated that he has been unemployed, and the resulting financial difficulties have prevented him from completing his missing hours. He also cited the fact that he is responsible for paying child support.

Mr. Shimerdla stated that he recently took a two-hour continuing education class, and he is registered for an upcoming four-hour class. These hours, if moved into his 2010 totals, would bring his total hours completed up to eighteen. The Board Secretary commented that Mr. Joe Virgil, a City Inspector, is giving a four-hour code class at this end of May. Mr. Shimerdla could possibly make up his remaining four hours at this class. Mr. Miller reminded Mr. Shimerdla that he would still need to complete his required continuing education hours for this year.

Mr. Salem stated that it appears that Mr. Shimerdla is making an effort to get his continuing education hours made up as directed. Mr. Miller proposed that the Board grant Mr. Shimerdla until July 31, 2011 to get his remaining hours made up. If Mr. Shimerdla fails to get his hours made up by this deadline, he will be brought before the Board for a hearing for possible revocation or suspension of license.

After some discussion, Mr. Salem made a motion to give Mr. Shimerdla until July 31, 2011 to complete a total of ten continuing education hours. Second by Mr. Wellendorf.

Motion to renew license by Mr. Salem. Second by Mr. Reed.

AYES: Killian, Miller, Reed, Salem, Wellendorf

Motion carried 5-0.
